The plant had just been installed and was giving great satisfaction. There was a wedding celebrated at the church last night, the first since the new light had been placed. A full legal investigation is in sibility for the explosion.

THE JURY'S VERDICT.

San Mrrcos, Dec. 22 .- The fire inquest jury on the blowing up of the acetylene gas plant of the First Presbyterian Church rendered the following verdict today:

"We, the jury, find said house and the plant therein were, on the night of Dec. 20, 1899, about 3 o'clock in the morning, destroyed, by an explosion of dynamite and said plant, or by any internal explosion thereof. We find further that we are unable to determine who caused said explosion or who
